Make Film History is both a book and a hands-on website. The book describes crucial moments when movies fundamentally changed. It explains how yesterday's great filmmakers live on today in contemporary films. On the website, simple hands-on exercises put you in the place of (or next to) great filmmakers as they solved filmmaking problems. You watch — or second-guess — or do it yourself — as the building blocks of movies emerge. Make Film History! is for every movie lover who has ever asked, "How did they do that?" or ever said, "I'd like to make a movie, too!"
