As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's soul or real their interest. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country.
