## **Trumpeters Galore: An Encyclopedia Of Trumpet Players & More** Ed Annibale

The trumpet is perhaps one of the most challenging instruments to learn to play, but once a person has become accomplished on the trumpet, it emits rich tones in a wide variety of musical settings. Many have overcome insurmountable obstacles in order to dedicate their lives to the trumpet. *Trumpeters Galore* shares an alphabetical compilation of numerous trumpeters, both past and present, that includes fascinating bios, interviews with top trumpeters, and colorful photos. Ed Annibale knows trumpets. A trumpeter since 1971, he has performed for such celebrities as Jimmy Stewart, Milton Berle, and Christopher Reeve as well as President Reagan. In his reference manual for musicians as well as music aficionados, he provides never-before-seen details on the careers and accomplishments of many professional trumpeters from around the world. From Al Aarons to Glenn Zotolla, Annibale answers questions for anyone who has ever wondered who played trumpet for a certain movie, television show, big band, or symphony orchestra. “*Trumpeters Galore* is exactly what its title suggests: filled with info on a multitude of professional trumpeters-the who’s who in jazz trumpet and beyond. This new book is an essential addition to any trumpet player’s library ...” - Leroy Jones, jazz trumpet solo artist; New Orleans, Louisiana
