We The People Thomas Patterson

We The People is a concise yet comprehensive book provides a positive, lively, future-oriented narrative introduction to American government and politics. *We the People* presents material with a currency and relevancy that captures the vivid world of real-life politics. In addition, the text challenges readers to think critically; by giving contextual understanding of major concepts and issues, it encourages them to think about the implications for society and themselves. *We the People* delves deeper into the basics than most brief books, and each of the 17 chapters (including 3 policy chapters) concludes with a brief reading selection, making the book serve as text and reader in one concise format.
