Students are bombarded every day with media messages laden with rules: how true patriots should act, how healthy people eat, what real women should look like. *Acting Out Culture* is the first thematic composition reader to focus students' attention beyond what rules and norms govern their everyday behavior to *how* the rules themselves have been shaped over time. The author, James Miller, has drawn on his cutting-edge expertise in cultural analysis to help students inquire into those social norms and respond with writing that positions them as citizens making informed decisions about their world.
