Alexander McCall Smith

Title In This Collection:-

The Importance of Being Seven

THE WORLD ACCORDING TO BERTIE

Love Over Scotland

## **The Importance of Being Seven**

The story of Bertie and his dysfunctional family continues in this sixth instalment alongside the familiar cast of favourites - Big Lou, Domenica, Angus Lordie, Cyril and others - in their daily pursuit of a little happiness. With customary charm and deftness, Alexander McCall Smith has, yet again, given us a clever, witty and utterly delightful new novel.

## **THE WORLD ACCORDING TO BERTIE**

"The World According to Bertie" is the fourth in the series and revolves around the many colourful characters that come and go at No. 44 Scotland Street. McCall Smith handles the characters with his customary charm and deftness - the stalwart Tory chartered surveyor, the pushy mother, and, most importantly in this novel, the beleaguered Italian-speaking prodigy, Bertie. This is classic McCall Smith - clever, witty and entertaining - and beautifully illustrated.

## **Love Over Scotland**

This just in from Edinburgh: the complicated lives of the denizens of 44 Scotland Street are becoming no simpler. Domenica Macdonald has left for the Malacca Straits to conduct a perilous anthropological study of pirate households. Angus Lordie's dog, Cyril, has been stolen, and is facing an uncertain future wandering the streets. Bertie, the prodigiously talented six-year-old, is still enduring psychotherapy, but his burden is lightened by a junior orchestra's trip to Paris, where he makes some interesting new friends. Back in Edinburgh, there is romance for Pat with a handsome young man called Wolf, until she begins to see the attractions of the more prosaically named Matthew.
