**Guitar: Great Players and Their Music** Richard Chapman, Eric Clapton

Foreword by Eric Clapton!

Here is a truly definitive book on an instrument that has captured the imagination of generations. Guitar looks at the incarnation of this versatile instrument in its different musical contexts throughout the world, from modern classical and flamenco to blues, folk, country, jazz, and rock 'n' roll. In addition to tracing the guitar's origin from over two thousand years ago to the present day, the author focuses on 300 artists featuring the highlights of their performing careers and analysis of their style and technique along with transcripts of their most famous songs. From Andrea Segovia to Jimi Hendrix, this beautifully detailed book is a comprehensive treatment of the instrument and its players. Guitar offers insight for both guitar fanatics and casual fans.
