Nash Walters.

Loner. Rebel. Outcast.

I know so little about him despite the fact that we live together under the same roof. Yet somehow, there's something about him that arouses the most intense of sensations within me... something that I know I should avoid at all cost.

You see, my life may not be perfect, but I am truly blessed. With a loving family. With options for a brighter future. And with a boyfriend who is caring and loyal and kind. I wouldn't dare do anything that would make me lose any of them.

But a series of events will lead to one night of reckless passion... one night that will change everything.

The world I know will burn and crumble, and nothing will ever be the same again.

Then there's the matter of the secret he keeps... a secret so dangerous that it threatens to harm us all...

Including the tiny heartbeat that pulsates with mine.
