From the coauthor of the #1 *New York Times* bestseller *American Sniper* comes a heart-pounding military thriller in which the fabled Special Ops unit is activated to stop a group of terrorists from launching “suitcase” nukes somewhere in America.

When Chechen terrorists manage to smuggle a Cold War–era Russian nuke across the Mexican-American border, the President is forced to reactivate the only unit capable of stopping them: Navy SEAL sniper Gil Shannon and his brash team of SEALs and Delta Force fighters. First introduced in *Sniper Elite: One-Way Trip*, hailed by *Publishers Weekly* as a “meaty thriller” with “snappy dialogue and well-timed humor,” Shannon and his team were run out of the military after defying direct orders and instead choosing to save the life of one of their own.

In *Target America*, Gil and his team, many of whom had gone rogue, are reunited as an off-the-books Special Ops unit that must race against the clock to save the country from nuclear destruction.

#1 *New York Times* bestselling author Scott McEwen once again delivers a gripping and fast-paced adventure that illuminates the shadow world of clandestine military operations.
