The Night Stalker (Pinnacle True Crime) Philip Carlo

Twenty-five years after Richard Ramirez left thirteen dead, paralysing the city of Los Angeles, his name is still synonymous with fear, torture and sadistic murder. Philip Carlo's US bestseller *The Night Stalker*, based on three years of meticulous research and extensive interviews with Ramirez, revealed the killer and his horrifying crimes to be even more chilling than anyone could have imagined. From watching his cousin commit murder at age eleven to his nineteen death sentences to the juror who fell in love with him, the story of Ramirez is a bizarre and spellbinding descent into the very heart of human evil. Incredibly, after *The Night Stalker* was first published, thousands of women from all over the world started to contact Carlo, begging to be put in touch with the killer. Carlo began to interview them and, in this compelling new edition, presents their disturbing stories and the dark sexual desires that would drive them towards a brutal murderer. Also, in an exclusive death-row interview, the killer himself gives his thoughts on the 'Ramirez Groupies' - and what he thinks they really want.
