Drawing and Sketching Nature (Teach Yourself To Draw Book 3) Kate Berry

Nature is the best teacher because she guides you towards acquiring a profound knowledge of all the combined elements of art and, best of all, it's in the simplest way possible.

If drawing is something you have always wanted to do, this book will show you that it is very achievable, even if you have never drawn in your life. You really must give drawing a try otherwise you will miss out on one of the best forms of entertainment!

If you teach yourself to draw by following the advice in "Drawing and Sketching Nature", you probably won't need Kate Berry anymore but that is music to her ears! She wants to see you succeed as an independent artist. It really is the best hobby in the world.

Ideal for trainee artists and Home Schooling projects.
