Emily Post

ETIQUETTE: In Society, In Business, In Politics and At Home Emily Post

This is it, the classic work of manners, mores, and morals, first published in 1922 and a standard reference for decades. Though some of its advice is a tad outdated for today-questions no longer abound about which maid should be serving the housekeeper, and whether she should be served in the kitchen or in her quarters-much of Emily Post's advice is timeless.

You'll learn.

- . how to be an engaging conversationalist
- . the proper formats for all manner of invitations
- . how to greet family, friends, and new acquaintances
- . the most elegant way to host a formal dinner, an afternoon tea, and a wedding
- . and much more.

American author EMILY POST (1873-1960) contributed fiction and articles about such topics as architecture and interior design to magazines including Harper's and Scribner's; her published novels include *Flight of the Moth* (1904), *Purple and Fine Linen* (1906), *The Title Market* (1909), and others. But she is best remembered as an etiquette maven, founding The Emily Post Institute in 1946 and writing about manners in a long-running syndicated newspaper column.
