**There are normal random life events, like falling in love with a stranger, and then there is "having your first gay experience with with an (admittedly very sexy) Alpha werewolf and ending up pregnant" kind of random.**

Ethan is a normal guy, until he is hired to entertain the werewolves during the annual Mating Ball. He goes in expecting to have a good night and make some extra money on the side. What he doesn't expect is for one of the Alpha wolves to show an interest in *him*.

Max, a successful entrepreneur and one of the top Alpha's in the city, has been getting pressure from his all sides to find a mate, settle down and prove his Alpha genes. Only, he has no interest in doing any of those things, until he meets Ethan. He wants nothing else than to take Ethan as his mate, even if the man insists that he is straight.

After a whirlwind night, they are both left stunned the next morning as they wake up to a *very* special surprise...

Find out how Max and Ethan deal with the news and then try to figure out how to deal with this surprise in a world that seems hell bent on making everything difficult for them.

This box set includes the first four stories in the Mated to the Alpha series: Omega's Fate, Omega's Home, Omega's Pack and Omega's Bond.

This series contains an innocent human, a sexy alpha, naughty scenes and Mpreg (male pregnancy).

**This is a FINISHED eight part series**
