Infertility, divorce, domestic violence, eating disorders...all have become part of a day's work for women and men in ministry to women. Yet, most are not prepared for this aspect of ministering to women in real pain over real issues.

Designed to give leaders and care givers greater understanding, insights for shepherding, and referral resources, *Shepherding Women in Pain* is a compilation from contributors who have expertise and experience with women on the given issue. For example Stacey Womack, founder and executive director of Abuse Recovery Ministry & Services, wrote the chapter on domestic violence and Kimberley Davidson, founder of Olive Branch Outreach, authored the chapter discussing eating disorders.

The reader will be provided concise, practical, and grace-infused information designed to help women deal constructively with the trauma of their life experiences. This book will serve as a key resource--read and re-read often--to those who serve women in pain.
