Shirley and The Professor (Everyman's Library)

Charlotte Bronte

Shirley and The Professor (Everyman's Library) Charlotte Bronte

These two classic novels, together with Brontë's well-known *Jane Eyre* and *Villette*, comprise a magnificent oeuvre, each one a singular achievement of characterization, human understanding, and narrative elegance and drama.

Shirley is the story of a complicated friendship between two very different women: shy and socially constrained Caroline, the poor niece of a tyrannical clergyman; and the independent heiress Shirley, who has both the resources and the spirit to defy convention. The romantic entanglements of the two women with a local mill owner and his penniless brother pit the claims of passion against the boundaries of class and society.

The Professor—the first novel Brontë completed, the last to be published—is both a disturbing love story and the coming-of-age tale of a self-made man. At its center is William Crimsworth, who has come to Brussels to work as an instructor in a school for girls. When he becomes entangled with Zoräide Reuter, a charismatic and brilliantly intellectual woman, the fervor of her feelings threatens both her own engagement and William's chance of finding true love.
