The magical world of the Realm has a terrible problem -- a plague of mischievous, troublemaking Peskies. A wild west wind has brought the tiny creatures down from the hills in the thousands. They're making life in the Realm impossible, and eating up all the magic!

It's been hundreds of years since the last Peskie plague, and even Queen Helena doesn't know what to do. Then Jessie comes up with an answer: an old, forgotten spell that will lead her and her friends on a fascinating journey -- and straight into trouble.
