## **Dutch: A Memoir of Ronald Reagan** Edmund Morris

The only biography ever authorized by a sitting President--yet written with complete interpretive freedom--**Dutch** is as revolutionary in method as it is formidable in scholarship. Thirteen years of exhaustive research in the archives of Washington and Hollywood, and thousands of hours of interviews with the President and his family, friends, allies, and enemies, equipped Morris with an unmatched knowledge of one of the twentieth century's greatest leaders. This monumental work offers the most insightful and elegant portrait to date of Ronald Reagan: the young "Dutch," the middle-aged Cold Warrior, and the septuagenarian Chief Executive. Written with imagination, yet always anchored by the weight of research and fact, **Dutch** stands as both a landmark in the form of biography and an unparalleled historical account of the rise and rule of Ronald Reagan.
