## Los Angeles Quotes Quote Octopus

This book contains the best quotes about LA. I like 'Goodbye My Lover' because it's a really personal song and I recorded it in my landlady's bathroom in Los Angeles. She had a piano in there and for me listening back to it, it actually sounds like the voice I hear in my head. It's so close to what I can imagine. James Blunt The global phenomenon of poverty tourism - or 'poorism' - has become increasingly popular during the past few years. Tourists pay to be guided through the favelas of Brazil and the shantytowns of South Africa. The recently opened Los Angeles Gang Tour carries visitors through battle-scarred territories of urban violence and deprivation. Leslie Jamison Australia is so cool that it's hard to even know where to start describing it. The beaches are beautiful; so is the weather. Not too crowded. Great food, great music, really nice people. It must be a lot like Los Angeles was many years ago. Mary-Kate Olsen I still giggle when someone asks for my address and I say, 'Hollywood, Los Angeles.'
