Anna Karenina (Modern Library Classics) Leo Tolstoy

Considered by some to be the greatest novel ever written, *Anna Karenina* is Tolstoy's classic tale of love and adultery set against the backdrop of high society in Moscow and Saint Petersburg. A rich and complex masterpiece, the novel charts the disastrous course of a love affair between Anna, a beautiful married woman, and Count Vronsky, a wealthy army officer. Tolstoy seamlessly weaves together the lives of dozens of characters, and in doing so captures a breathtaking tapestry of late-nineteenth-century Russian society. As Matthew Arnold wrote in his celebrated essay on Tolstoy, "We are not to take *Anna Karenina* as a work of art; we are to take it as a piece of life."
