Lippincott's Q&A Review for NCLEX-RN Diane Billings EdD RN FAAN, Desiree Hensel

The 11th edition of *Lippincott's Q&A Review for NCLEX-RN* provides the highest-quality practice questions, detailed rationales, and preparation strategies needed to succeed on the NCLEX-RN® examination. **This revised reprint has been updated to ensure that content will help both U.S. and Canadian students** to succeed on the licensure examination, with enhanced laboratory values, medication information, and diversity representation.

The practice tests are organized into four major content areas: obstetrics, pediatrics, medical-surgical, and mental health nursing, and are followed by 6 comprehensive tests with a random selection of questions from all content areas. Other features include rationales for both incorrect and correct answers choices, all the types of alternate-format questions found on the NCLEX, an overview of the licensing examination, test-taking strategies for each question format, and study tips, including instructions for creating a personal study plan. In addition, there is a CD-ROM containing questions that allow students to practice test-taking skills in both a study and review mode, as well as student and instructor resources on thePoint.
