## **Searching The Scriptures** Gene R. Cook

One of the most valuable purposes of the scriptures is to serve as a tool to help us hear the voice of the Lord. But, as Elder Gene R. Cook emphasizes in his book, that blessing doesn't come through casual effort. In *Searching the Scriptures*, Elder Cook explores how we can effectively ponder, question, and mark the scriptures and understand how they apply to our lives. He also shares his testimony of the power and blessings that come from knowing God's word. And he gives suggestions on how to organize family study and how to use the scriptures as a way to bless each family member. Relating personal experiences to show what has worked and what hasn't, Elder Cook shares ways to motivate everyone in the family to participate and work to invite the Spirit to be present at reading time. Elder Cook's hope is to help Latter-day Saints gain a deeper understanding of what scriptures really are and how they apply to us today, and thereby have a desire to learn more from them.
